

Dear:

I am participating in the Walk for Music on Sunday, May 23, 2010. This is a pledge walk and music rally that will include music-makers from over 100 groups in Boston and surrounding communities, including everyone from children to seniors, students to professionals. We are all joining together to raise money and advocate for the local music programs we love and need in our communities. Please join us in keeping community-based music alive and funded.

I'm writing to ask you to sponsor me in this walk. Any gift you can contribute will be appreciated, and no amount is too small. If you can help, please send a check to me. AND THANK YOU!

Make check payable to:

Pledge amount:

Send check to me at:
