WALK

FOR

MUSIC

THE

ARTS

Sunday
April 30, 2017
1:00—3:00pm

A short 2 mile walk starting at one of Boston's most beautiful parks, Piers Park on the East Boston waterfront overlooking Boston Harbor and Downtown Boston

Join us for an afternoon of fun and funding!
It's an easy way to support arts programs that are important to you, with musicians, dancers, actors, artists, and patrons ages from all over Greater Boston

Does your arts program need money?

Funding for the arts is always at risk, and many local arts programs have had to close their doors. The Walk for Music and the Arts brings us together to raise money for the arts programs in our local communities.

It's so easy!

- ◆ You can make a huge difference with even *one* email to your friends
- ◆ Your arts program keeps 100% of your donations
- ◆ And you don't have to plan (or pay for) a fundraising event!

Everyone can do it!

- ◆ Registration fee is a low \$5 per family
- ◆ No required pledge commitments; no cost to the arts programs
- ◆ Parking available; easy access to MBTA
- ◆ Busy on April 30th? Register as a "virtual walker"
